

CURRICULUM VITAE

James W. Allen, CWO, USCG (Ret.) Maritime Safety Consultant

PROFILE

Mr. Allen served for thirty (30) years in the United States Coast Guard (USCG) as a Boatswains Mate and Chief Warrant Officer (CWO) and has experience in the operation, navigation, and maintenance of vessels ranging from small craft to ships including maintenance and proper use of aids to navigation. His experienced also encompasses operation and maintenance of vessels in and upon the high seas, inland waterways, western rivers, inland lakes and rivers.

Mr. Allen has been directly and indirectly involved in thousands of Search and Rescue cases and conducted a myriad of law enforcement boarding's to ensure vessels were in compliance with federal laws and safety requirements.

He has conducted appropriate investigations when necessary, as well as inspected and issued citations for vessels, marinas, chemical facilities, oil transfer stations, tow boats and barges for regulatory violations.

As a maritime safety expert, he has prepared comprehensive case files, written reports, affidavits, and provided testimony in plaintiff and defendant cases involving marine related accidents, pollution incidents, illegal immigration, and drug interdiction.
