

PRESS RELEASE

Americana Safety Welcomes New Associate

Las Vegas, NV, March 8, 2016. Americana Safety is pleased to welcome a new associate to its national staff of qualified health and safety expert witness professionals.

John P. Lauhoff, PE, CSP, an Occupational Health and Safety Consultant from Detroit, Michigan, has joined Americana Safety's national staff of professional experts.

Mr. Lauhoff is a registered professional engineer and board certified safety professional. He has more than 30 years background experience in process safety management, specializing in industrial and construction accidents, in addition to personal injury incident cases.

His breadth of expertise covers functional responsibility for occupational health and safety, public safety, human factors, risk management, environmental engineering, industrial hygiene, and workers' compensation programs.

John P. Lauhoff, PE, CSP

Over the course of his career, he has developed skills and a proven record of accomplishment in process safety management systems; the management of risks to people and property; and in providing occupational safety and health support to a variety of industries and law firms.

Mr. Lauhoff is an authoritative expert in his practice area specialties. This has afforded him the opportunity to provide his expertise as an expert witness, testifying both at depositions and trials. Over the past decade, he has been sought after and retained by both plaintiff and the defense attorneys in more than 100 cases covering a 20 state geographical area.

Mr. Lauhoff's Practice Areas

- Accident Reconstruction
- Chemical Safety
- Construction Safety
- Electrical Safety
- Environmental Engineering
- Human Factors/Ergonomics
- Industrial Hygiene
- Lockout/Tagout
- Manufacturing Safety
- OSHA Compliance
