

PRESS RELEASE

Americana Safety's CEO Awarded Diplomate Status

Springfield, MO, October 21, 2016. The American College of Forensic Examiners Institute (ACFEI) is pleased to congratulate Dr. Joseph DeMaria, president & CEO of Americana Safety, for being awarded Diplomate status.

Dr. DeMaria was recognized for his achievements and excellence as a distinguished top professional in the field of forensic safety engineering by ACFEI colleagues and peers.

The diplomate designation is a prestigious designation awarded to its members who have made significant professional achievements and contributions during their career to the field of forensics and demonstrated hard work to the ACFEI and their profession.
