

PRESS RELEASE

Americana Safety's Continued Growth

Las Vegas, NV - February 23, 2015. Americana Safety is a full-service safety consulting and expert witness firm serving business and attorney clients nationwide for nearly two decades. We are pleased to welcome four new associates to our qualified and experienced staff of safety and engineering professionals.

James F. McMullen, MPA, CFFI
Fire Protection & Life-Safety Consultant
Office Location: Davis CA

As the former Fire Marshall for State of California, Chief McMullen has 40+ years of experience in fire protection and life-safety, and is one of the most sought after and qualified experts in his field.

He has qualified to testify more than 125 times in state and federal courts in the administration of building and fire codes, fire protection laws, regulations, ordinances and standards.

Chief McMullen is a Certified Forensic Fire Investigator (CFFI). He is available to provide consulting services to businesses and expert witness services to attorneys nationwide through Americana Safety.

Dawn L. Cook, RN, CLCP, LNCP-C, CLNC
Life Care Planning Consultant
Office Location: Las Vegas, NV

Ms. Cook is a highly reliable and qualified Registered Nurse (RN) and Certified Life Care Planner (CLNC) expert with more than 30 years' of professional health care experience.

Her expertise as a legal nurse includes preparing Life Care Plans, Future Medical Cost Projections and reports for the Reasonableness of Past Medical Expenses, and critiquing opposing counsel's Life Care Plans.

She has been deposed as an expert in multiple states and deemed qualified to testify at trial in district court. She is available to provide expert witness services to attorneys nationwide through Americana Safety.

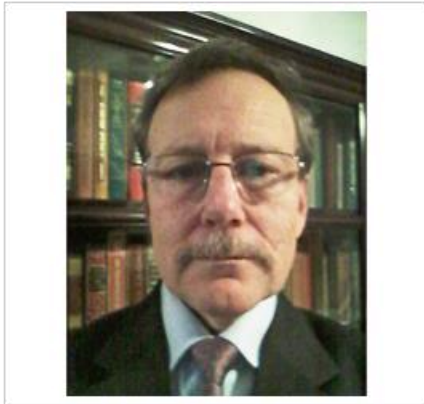

Vaughn Plummer, Ph.D., BCFE, CEM
Occupational Health & Safety Consultant
Office Location: Owensboro, KY

Dr. Plummer is a seasoned safety professional with an established record of significant accomplishments and successes in almost every phase of safety engineering, onsite construction safety management, program development, industrial hygiene and employee safety training.

His industry experience includes consultations in heavy construction, aluminum, steel, healthcare, and power generation.

Dr. Plummer is also a Board Certified Forensic Examiner (**BCFE**) and Certified Environmental Manager (**CEM**). He is available to provide consulting services to businesses and expert witness services to attorneys nationwide through Americana Safety.

Ronald G. Hallmark, CSP
Occupational Health & Safety Consultant
Office Location: Tuscaloosa, AL

Mr. Hallmark is a highly qualified, experienced senior safety executive. He possesses 35+ years of oil and gas, mining and chemicals industry professional loss prevention experience and has been responsible for managing and providing loss prevention leadership for oil and gas operations on four continents.

Mr. Hallmark is a Certified Safety Professional (**CSP**). His skill as an expert witness in research of unsafe work practices, conditions and violations of safety standards, coupled with his ability to accurately formulate expert opinions and conclusions are his strengths. He is available to provide consulting services to businesses and expert witness services to attorneys nationwide through Americana Safety.
