

PRESS RELEASE

Dr. Withers Shines in Winning Two Defense Cases

Las Vegas, NV, September 5, 2015. We are pleased to announce that Fred R. Withers, Jr., Ph.D., CSP, our Senior Consultant for Occupational Safety, Health & Environmental, has completed his second major expert witness assignment for a prestigious defense law firm in Texas.

Fred R. Withers, Jr., Ph.D., CSP

As an authoritative safety expert in both cases, Dr. Withers clearly articulated his positions which were backed by technical evidence and sound defensible opinions in his written reports. As a result of his vigorous efforts to defend the claims of his attorneys' clients, both cases were amicably settled during non-contentious mediations.

According to Dr. DeMaria, President & CEO "Dr. Withers has been an associate at Americana Safety since 2002, and we are fortunate to have his professional expertise available to our legal and business clients nationwide."

Americana Safety is the only nationwide firm that can provide plaintiff and defense attorneys with experienced and court-qualified experts in 30 practice area specialties to help win their clients' claims.

Our associates include some of the nation's leading health & safety and engineering professionals that have focused their entire careers on becoming authoritative experts in their field.
